MESSAGE FROM CHAIRMAN

01

We are an authorized company by the Government of Nepal to operate foreign employment. We have been supplying skilled, semi-skilled, and unskilled workforce around the world for more than a decade.

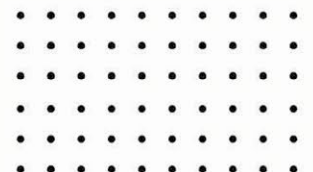

As per my experience and knowledge is concerned, the Nepali employees are hardworking and efficient as a result the employers are highly satisfied with Nepalese workers around the globe.

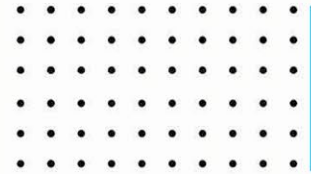

We have gained immense succession and recognition providing quality services to the valued international job providers and job seekers as well. Satisfaction of our clients and happiness of our candidates is our ultimate achievement. Therefore, we have strong commitments to acquire that satisfaction.

We have studied the availability of human resources in general and skilled candidates in particular and come to the conclusion that now Nepal can supply considerable numbers of skilled and high-profile employees, for instance, Medical Doctors, Qualified Nurses, Engineers, Chefs for five-star hotels, and graduates from different reputed companies as well as service sectors.

We have started moving forward with the training and development of the individual candidate. We are concerned about quality candidates with the knowledge of soft and hard skills. We have recently made a plan strategically that every candidate must learn skills and I am happy to launch a training school for candidates, affiliated with the highly trusted Government educational body of Nepal I have already collected a large number of quality CVS of skilled people through the CV Bank, one of the important outlets of our company.

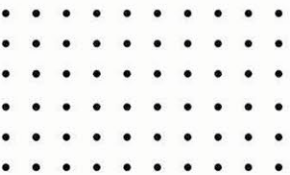

I always welcome the suggestions and advice from our clients, distinguished business scholars, and well-wishers to make our company as the best service provider in Nepal.

Best Regards,

MS Kapri
